# BEARD SPEAK AGAIN

By Bob Jenkins

#### **December 2024**

Here's wishing everyone a great Holiday Season and don't forget we still have two fun ESCA events to enjoy! The first event is the last regular meeting which is also the ESCA Banquet on Saturday, **December 7**th, and while the deadline to sign up has passed, you may still be able to get in if you call or email Marci Jenkins at (707) 695-8252 or **thebeard@sonic.net**.

The second and last ESCA event of the year is the Christmas Lights Tour on, Saturday, December 14<sup>th</sup>. The start location for the tour will be emailed out close to the start date.

The last meeting in November was very busy. We welcomed Duke Ferris into to ESCA as the 28<sup>th</sup> member to join this year. It was also decided to put on the ballot a change to the ESCA By-Laws so that we will only have one Regular meeting a month. There would however be Board meetings when needed. After some back and forth and this and that we managed to come up with a full slate for the Board for 2025. We also learned that Charley Sawyer and Craig Hammond would be meeting with the fairgrounds for possible dates for 2025 autocrosses.

2024 was kind of a slow year for events, with just the Annual April Fools Rallye, the ESCA Birthday Picnic, only two tours, but we did have 6 autocrosses, and all events were fun.

Hope to see you at the Banquet and the Christmas Lights Tour.

# Guests, Ghosts, Gremlins, and Goodtimes

By Steve Rossiter

The October 22<sup>nd</sup> event was well attended with 10 drivers, Blain Hendrix, Craig Hammond, Jason Pike, John Castellano, John Schliemann, Ken Silk, Steve Rossiter and guests Cara Scott, David Serur and Harper Bishop. We were split into 2 groups for practice and qualifying and ran the reverse direction. In qualifying we had a gremlin disabling a kart which then required a replacement.

In the end John Castellano secured pole position with a time of 23.303. The race was off to a great start for almost a half lap until another gremlin brought John C. to a crawl losing several spots and in need of a new kart. So, we had a restart in our original starting positions. Late in the race Craig had a visit from the gremlin and retired from the race and joined the two guested that did not start the race.

I won the race with a track record time of 18.469, which was conjured up by the ghost in the machine as my next fastest time was 23.353. The rest of the field came across in the following order, John C., John S., Blain, Jason, Ken, Harper, Craig (DNF), Cara (DNS) and David (DNS). By all account it was a spooky and goodtime for all.

From The Autocross Chair....

Hello ESCAn's!

WOW! What a way to end the 2024 **ESCA** AutoX season with the great event we had on November 2nd! The weather was near perfect after a very rainy day before, we had a good turnout, and welcomed some new guests to join in on our season ender double event.

I have to say, out of all of the events I have had the pleasure of running and attending, I believe this was one of my most memorable. It was great as always driving with ESCA members but also hosting guests who I hope are persuaded to join our club!

We were able to run two events (one in the morning, and one in the afternoon) with a fun reconfigurable course designed by the dynamic duo, John Castellano and Craig Hammond. Both events had some awesome driving by everyone, and there were even two runs that had times that were seperated down to the ten thousandths of a second!

Thanks again to members of the Golden Gate Lotus Club, and Redwood PCA for coming out! And a BIG thanks to the folks who stayed and helped move the fence between the auto mart and our course.

With this final event, I am hanging up my hat of ESCA AutoX Chair after four years and passing it to the very capable hands of Craig Hammond.

Over the past four years, I saw **ESCA** move from the site

provided by the gracious Ross Liberty in Ukiah for 2021, to the Fairgrounds just next door in Ukiah for 2022. It was an interesting experience going from an old lumber mill site to an oval track and making our AutoX's work, but we did! In 2023, due to insurance limitations, we could no longer run at the oval track at the Ukiah Fairgrounds, so the hunt was on for a suitable site for us to run. Rediscovering the Sonoma County Fairgrounds, ESCA was able to get a foothold there, where we trialed an event to test out the current site to then have our 2024 season. I look forward to running at the site for the coming years and really making good use of the area!

**ESCA** has been such a fun club to be a part of, from the first time I came across an AutoX in 2019 while driving past on the highway in Ukiah, to the banquets, summer picnics and toy drives, everyone has been warm and welcoming. Taking on the AutoX Chair position, many seasoned members provided me tips and guidance to make my job easier, and I cannot express my gratitude enough for that. At the end of it all, I have made friendships with wonderful people and I'm so happy to be a part of **ESCA**!

Until next time, Happy Holidays and Happy New Year!

Charley Sawyer

Forty Years Ago in Pit Stop December 1984

By Bob Jenkins

The drawing on the front page of the PIT STOP was drawn by member Gary O'Connor.

On the front page of this 3-page issue of PIT STOP was an article entitled From The Chair where **ESCA** Chairperson Marci Jenkins talked about two events from November, a very successful progressive dinner that included a rallye with instructions to the next stop and a surprise slide show and the trailer cleaning party with BBQ that was cancelled due to rain. She also stated the trailer still needed to be cleaned before the '85 autocross season. Marci also reminded members that there would only be one January meeting as the first meeting would fall on January 1st, so all were invited to come to the January 8th meeting where all the committee head positions would be filled.

Inside were the long-awaited results from an October club autocross showing Bill Diekmann in his 240Z with top time of day, followed by Frank Jurin in his Lotus, Neal Campbell in his Corv-8, Larry Wendt in his Porsche, and Cathy Suacci in her 280Z. Results noted that Blain Hendrix was called "Rent-a Ride" and drove an X-19. The event had 17 drivers and Marci Jenkins in her Replicar had sixteenth fastest time. (Note: we autocrossed at the Sonoma County Airport.)

An Entertainment article by Cathy Suacci reminded members that the Christmas Party would be held at Negri's in Occidental and that answers to the questions, who is the Member of the Year? who would walk away with the Autocross Equalizer Award? would be learned. There was to be a slide show at the party. And, the pre-party was to be in Sebastopol, at the Suacci's home. (Note, in those days it was traditional to have a pre-party at a member's home).

A Photo Contest Results article stated Blain Hendrix took first prize which was a free entry to the Calif III Tour, and Bill Diekmann took second place.

There was an article about the Progressive Dinner that ended about 3am. The article stated 30 people attended the event with the first stop for hors d'eouvers, wine and champagne at the Reed's home in Petaluma. The next stop was for soup and salad at the Sturdevant's home in Rohnert Park. Then came the main course at the Suacci's home in Sebastopol and finally it was out to Bill Diekmann's home in Tomales to enjoy his game room with a pool table, dart board, ping pong and lots of great desserts. There was also a slide show by Larry Wendt.
